BLUESPOON™
Chameleon

- Imagine - Design - Change -

a 16gram feature-packed headset built on test-winning technology, with Bluetooth™ Headset & Handsfree profiles, over 200 hours standbytime or up to 6 hours of speech... We would like to introduce Bluespoon™ Chameleon.

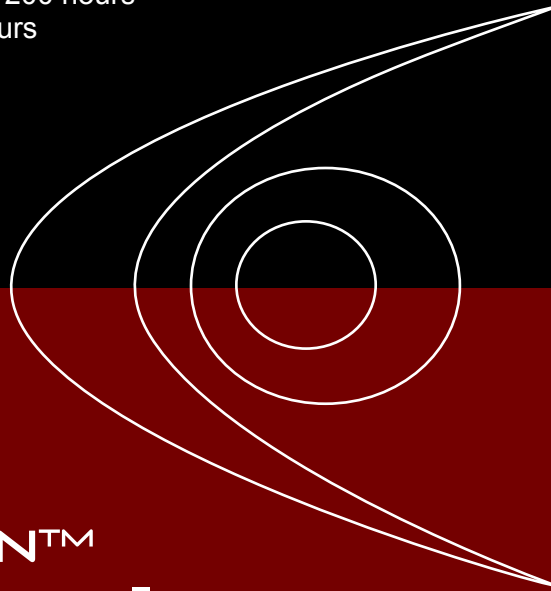

is completely new and yet easily reconizeable. Indicatorlights flash through the transparent multifunctional sidebuttons. Patent pending soft spring system and speakercasing with exchangeable foampads hold Bluespoon™ Chameleon firmly in place.

to a different kind of headset. Bluespoon™ Chameleon covers are exchangeable, giving you the option of a personal headset. When not in use, keep the Bluespoon™ Chameleon around your neck, using the included carrying strap.
